Hors D'oeuvres Menu Selections

Interactive Menu Planning Tool

We are excited to introduce our new Interactive Hors d'oeuvres Menu Planning Tool to assist you in creating your own custom Hors d'oeuvres Menu. Based on feedback from our clients, on the following pages we have provided 3 categories of Hors d'oeuvres, from casual & simple to ultra high-end. These 3 levels are designed to suit every budget and every atmosphere of event.

This Matrix is intended to provide an ordering guideline based on the nature of the event, and the time frame the menu is to be served. With Hors d'oeuvres, it is very important to be aware of the timing - for example an event that is serving Hors d'oeuvres in place of a main-meal will require a much larger quantity of items than a Cocktail Reception prior to a large Dinner, and therefore will be higher priced.
